

The Adoption Process

Ten Steps to Adoption

1

You make an enquiry

2

We share adoption information

3

You have the option to attend an information session

4

We complete an initial enquiry form with you

5

An initial home visit takes place

6

You attend our preparation training course

7

- Checks
- References
- Adopter portfolio

8

Home visits and social worker report

9

Adoption panel make a recommendation

10

Adoption agency decision made!

Pre-stage 1

Stage 1

Stage 2

On average, it takes just eight months to become an adopter with Together for Adoption. We continuously strive to shorten the time it takes, however, our main priority is of course ensuring the wellbeing of children who are being adopted.
